## **Further information**

### ***Accommodation***

Please note accommodation is not included in any of our charges or stated prices; the accommodation provider will charge you separately and may require a deposit. Accommodation may be in B & B's, local hotels or self catering. If you require B & B or hotel accommodation please specify your choices on the booking form and we will look for accommodation to match your requirements prior to confirming your holiday booking with us. You will need to confirm the provisional booking for the B & B or hotel with the accommodation provider within two weeks of the reservation being made to avoid automatic cancellation of the accommodation. Please keep us informed of any changes you may wish to make to where you are staying if you wish to avoid long travelling distances to venues or pick up points.

### ***Group Size***

The maximum group size will be 12 people who may have book as singles, couples or small groups. We can take exclusive bookings for particular groups and arrange dates that are not advertised on our calendar for the year. We are prepared to run with low numbers to avoid disappointment to those who have booked but reserve the right to cancel as outlined in our terms and conditions.

### ***Smoking***

Most of our clients are non-smokers and for their safety and comfort we insist that smokers refrain from smoking near other group members. In particular, smoking in any confined space cannot be permitted and, in signing our booking conditions, you agree to accept these guidelines and the right of all our activity leaders to dismiss from a holiday any participant failing to respect them.

### ***Food***

You will need a packed lunch each day. If you are staying at a B & B or hotel they will be able to supply you with a packed lunch at a reasonable price as long as you booked it the day before.

### ***Equipment***

A full clothing/equipment list will be sent out to you on booking. For all led activities the specialist field study equipment or tools you need will be provided but we may suggest items which will add to your experience such as binoculars.
